

East Jefferson Levee District

I. SAFETY

A. Lost time accidents for year – 0

B. Accidents since last report - 1

C. Safety training conducted since last report:

-2/18: Safety meeting with discussion of safety issues for bad weather conditions.

-2/20: DVD and discussion of proper lifting to avoid back injuries.

II. O&M

A. Levee Systems:

1. Work Accomplished Since Last Report:

-Debris removal completed on the MRL system.

-One grass cutting round robin completed this month.

-Repairs continue from the 4th quarter levee inspection.

-The Corps removed a total of 7 piezometers on the West Return and Lakefront levees because they were deemed not necessary.

2. Issues:

-Danny placed stakes on Reaches 1, 2, 3 and 4 at erosion locations along the foreshore protection rock dike. Danny does not believe the Corps has included all erosion locations in their report. The Reach 2 saturated area could not be addressed because of continued rain fall. A site meeting is tentatively scheduled for next Thursday (3/19).

3. Planned activities for the next 30 days:

-Weather permitting, we will continue placing and grading embankment for the Lakefront landside runoff drainage system.

B. Equipment:

-No issues.

C. Office/Shop Facilities

-No issues.
